

Winter Sensory Activity: Squishy Snowman

Materials Needed:

Large Plastic Zipper bag
Hair gel or Hand Sanitizer
Black Permanent Marker
Buttons
Coloured Foam pieces for eyes and nose
Clear Packing Tape

Directions:

1. Take a zipper bag and draw 3 circles on it using the permanent marker.

Model '**small**' and '**big**' on the child's AAC system while drawing the circles.

2. Put the hair gel, buttons, and foam pieces in the zipper bag and seal it. Secure the zipper bag to the surface using masking tape.

Model **put and in** on the child's AAC system as you fill the bag.

TIP: Using coloured gel and glitter will make the squishy snowman more exciting

3. Have children move the buttons and foam pieces to the right spots on the snowman drawing.

Model the words **up, down, right, and left** as you utter instructions or comments during the activity. Model **'help'** to teach how to ask for help.

4. Ask the child how the snowman feels as they play with it.

ABOUT AVAZ INC.

AVAZ INC is an Assistive Technology and AAC powerhouse. Through our technological innovations, we are making a real difference in the lives of children and adults across the globe. Our flagship product Avaz AAC has changed the lives of over 75,000 users worldwide. Live on all leading mobile platforms & devices, Avaz AAC is available in over 15 languages and counting.

Avaz's FreeSpeech app is the world's first and only grammar prediction app. It makes language and grammar learning fun and engaging for all kinds of learners. Our MDA Avaz Reader enables children with to read independently, transforming them into confident learners - it is especially great for dyslexic learners.

Each of Avaz Inc.'s creations focuses on breaking down socially imposed barriers in learning and communication. Avaz Inc is proud to partner YOU in your mission to make access and inclusion an everyday reality!
